Sir:

REQUEST TO CORRECT MISIDENTIFICATION OF INVENTORS IN A CONTINUING APPLICATION

REMARKS

This patent application is a continuation of US Patent Application Serial Number 09/160,900, filed September 25, 1998 and now US Patent 6,319,075, issued November 20, 2001.

In the parent case, as filed, the inventorship was listed as Clark, Shuey, and Ortega. On or around April 19, 1999, a petition to correct inventorship to add inventor Brown was submitted as well as a declaration executed by all four inventors. The petition was granted.

When the instant case was filed, the original Clark, Shuey, Ortega declaration was inadvertently and without deceptive intent submitted instead of the Clark, Shuey, Ortega, Brown declaration. Accordingly, the inventorship of this application is now erroneously listed as Clark, Shuey, Ortega.

We now submit a copy of the proper Clark, Shuey, Ortega, Brown declaration and request it be entered in the file and the inventorship of this patent application revised to reflect the proper inventorship as determined in the parent application. See MPEP §602.05(a).

Since this paper is not a petition to change inventorship, no fees or formal petition are required.

Respectfully submitted,

Steven M. Reiss
